ABWA National is debuting the new www.abwa.org Web site and database system this summer. And your involvement is key! This system is personalized, and designed to meet your needs. But, we MUST have your correct e-mail address.

If you want to access the new system and site, you must complete the following steps:

- Step 1:** Make sure we have your correct e-mail address on file. If you have not been receiving information from ABWA National via e-mail, please e-mail us at webmail@abwa.org with your correct address.
- Step 2:** If you do not have an e-mail address, visit Yahoo, G-mail, or Hotmail to set up a free account. Once you have this account established, send the address to ABWA National at webmail@abwa.org.
- Step 3:** Watch your e-mail. You will be receiving a welcome e-mail with your assigned password. Upon logging into the new system for the first time, you will have the opportunity to personalize your password. Always remember to log in as a member to take advantage of member pricing on merchandise and conferences.
- Step 4:** Enjoy the new website! Shop ABWA for merchandise or register for the National Women's Leadership Conference.

Trouble logging in? Make sure your e-mail address with ABWA is correct by sending that address to webmail@abwa.org.
